

Finding Experts on the Internet

By

Marcus P. Zillman, M.S., A.M.H.A.
Executive Director – Virtual Private Library
zillman@virtualprivatelibrary.com

Finding Experts on the Internet is dedicated to giving you the internet sources to discover that needed expert(s) that you have been looking for. The Internet is a vast global resource of knowledge created by experts and the ability to find and contact these experts is extremely important for both academic activities as well as business and special interest needs. The below list of sources is taken from my Subject Tracer™ Information Blog titled Internet Experts and is constantly updated with Subject Tracer™ bots from the following URL:
